About the Exam

Welcome to Role-Based Learning and Certification

Scaled Agile's role-based Learning and Certification offerings focus on the skills, knowledge, and experience required to successfully perform the job.

As part of your SAFe learning journey we encourage you to attend the course, read recommended books and articles, take advantage of videos and enablement, gain some real-world experience in the role, and then take the exam.

*We look forward to you becoming
a member of the SAFe Certified Community!*
